## Chrome doNavigateToPatientCheckInTest 20250319024349

The screenshot shows the ESIC (Employees' State Insurance Corporation) Patient Check-In/Registration form. The header includes the ESIC logo and navigation links: Home, Change Location/Facility, and Help. Below the header is a menu bar with options: Admin and Security, Management Information System, Laboratory, OT and Resource Scheduling, Stores, Registration, Clinical Records, Masters Management, and LOGOUT. The main form area is titled "Patient Check-In/Registration" and includes a note: "\* indicates mandatory fields". The form contains several sections: 1. Patient Identification: UHID field, Referrals checkbox, and radio buttons for IP No., ESIC Employee, ESIC Pensioner, and IP No.(U). 2. Patient Details: Fields for Name, Age / Gender, Date Of Birth, Address, and Relationship. 3. Insured Person Details: Fields for Name, Age / Gender, Date Of Birth, Address, and Mobile. 4. Visit Info: Radio buttons for New Patient Visit and Follow-up (old) visit. A note explains that a new patient is one who has not received any professional services currently from the physician, or another physician of the same specialty who belongs to the same group practice, for the same spell of sickness. By contrast, a follow-up patient has received professional services from the physician or another physician in the same group and the same specialty for the same spell of a sickness. Please select appropriately. 5. Service Selection: A dropdown menu for Service (currently set to Consultation), radio buttons for Specialization and Consultant, a dropdown menu for Specialization (currently set to General Medicine), an OK button, and a search icon. At the bottom, there is a Registration button and a row of buttons: Save, Print, Clear, and Today's Appointment. The footer indicates the browser is 48 Best viewed in 1024 x 768 pixels - V 2.4.0 and provides a unique identifier: IP-48 d1uic2pmyrn5p55oqwa55.

## Chrome CLM\_Dr\_worklist\_TC\_10 20250319024824

The screenshot shows the ESIC (Employees' State Insurance Corporation) Patient Case Sheet form. The form is titled "Patient Case Sheet" and includes a "LOGOUT" button. The form contains various input fields for patient information, including UHID, IP NO, Patient Name, Age/Gender, Checkin No, Checkin DateTime, Relationship, ABHA Number, Aadhaar Status, CaseSheet From Date, To Date, Live List Status, ABHA Number, Action, Last Authentication, and CAP Balance. There are also checkboxes for "Is the beneficiary eligible for Home Drug Delivery" and "Is the beneficiary eligible for the prescription-based home sample collection facility?". A "Select Template" dropdown menu is visible on the left. An error message is displayed in the center: "Object reference not set to an instance of an object." with an "OK" button. The right side of the form shows a "CDR" (Clinical Data Repository) section with a "Last Visit" button and a list of fields: Investigation History, Diagnosis, Rare Disease, Allergies, and Vitals.
